Nos. 10 and 11 of Mr. Berger's "Mele Hawaii" have been received by Messrs. J. M. Oat, Jr., & Co. Their titles are "Pili Aono" and "Mahina Malamalama."

OFFICER Sain, McKeague, keeper of the Station House, yesterday found a purse containing money, which the owner can have from him on proving property.

Mr. J. Mort Oat goes to the Coast by the Mariposa. In his absence Mr. Eckley and Mr. Hewitt will conduct the business of J. M. Oat, Jr., & Co. Mr. Oat will be missed, and everybody will long for his return with a new stock of jokes for the black-board.

By order of Hon. A. S. Cleghorn, acting Governor, the Royal Band will play this evening at the Hawaiian Hotel, in honor of Sir Alexander Stewart, ex-Premier of New South Wales, and Lady Stewart. Printed programmes will be distributed at the Hotel and on the grounds.

Mr. Goldberg is sending the youngsters after "papa," to get him to buy his No. 150 shirt, by presenting them with neat little nose-wipers on which an inscription solicits their kind bullets to the above end. As the BULLETIN staff's numbers range only from 12 to 16, we can fearlessly commend this stroke of advertising enterprise.

OWING to the delay in the arrival of the Kinan until Sunday morning the examination and ordination of Prof. E. N. Dyer, announced for today, is necessarily postponed. Definite announcements as to the services will be made from the pulpits on Sunday morning. The council met this afternoon at 2:30 o'clock for organization.

A PRESS Association message of the 30th January, to Auckland, says: "It is believed that in the new Ministry Sir William Vernon Harcourt will be Chancellor of the Exchequer, and the Hon. Mr. Chamberlain, Secretary for Ireland." The Rt. Hon. Hugh Childers has been elected to the House of Commons by a large majority in one of the divisions of Edinburgh.

THE Australia was detained at Sydney until the 6th, owing to her boilers being refused a certificate by the inspector, involving repairs that would take some days. An accident also happened to the Chief Engineer, serious enough to keep him off duty for a short period. She will be due here on the 20th, giving an opportunity for communication with the Coast not expected.

CAPT. Boyd, one of the pilots carried off from San Francisco by the Zealandia, is going home by the St. Paul, having enjoyed his involuntary holiday in the tropics very much. As he had come out to pilot another vessel, he is not under pay like his comrade, who is entitled under the pilot laws to \$8 per day and to be returned free at the charge of the vessel carrying him off.

THE following names are registered at the Hawaiian Hotel—Lt. Col. Wilson, F. A. L. Popham, C. T. Perkins, Sam'l Kay and son, Col. Burton and A. J. Bennett, all hailing from England, most, if not all of whom remain over from the Mariposa to spend a while doing the Islands. There are also registered, J. D. Mansfield, Jr., of New Zealand, Dr. G. M. Slate and Mrs. Slate, of Sydney, and Gen. G. S. Field, of New York.

THE long expected "Merry Makers" have at last arrived. They will remain here until the arrival of the next steamer for San Francisco, and will probably give two performances at the "Hawaiian Opera House." This troupe has played successfully in Japan, China, India, Australia, parts of Africa, Fiji, and New Zealand. Their specialties are too numerous to mention, but judging from the reputation they sustained and comments by the press excellent amusement may be looked for. The following are the names of the Merry Makers: Mr. and Mrs. N. Norton, E. Bridge, H. Norman and H. Leroy. Mr. Norton was with the Billy Emmerson Minstrel Company eight years ago and is well-known.

FOLLOWING are the names of passengers booked to leave by the S. S. Mariposa at 7 o'clock to-morrow morning for San Francisco: T. Dick Peddie, Lowenberg, H. Mullin, J. M. Monsarrat, Sam. A. Monsarrat, S. Cohn, Mr. Alexander and wife, J. E. Miller, Jas. R. Boxter, Mr. and Mrs. Graham, Mr. Wellman, Chas. H. Watt and wife, Miss F. Markham, J. R. Holt, Jr., and bride, T. R. Foster, A. C. Turton, J. Bee, J. W. McCarthy, J. M. Oat, Jr., and wife, J. Magnin, S. Ehrlich, E. R. Miles and wife, G. Holloway, H. Hooper, G. W. P. Castle, J. T. Waterhouse and wife, F. W. McChesney, M. W. McChesney, N. Y. Preneycook, C. Hoxwill, Mrs. Fox and daughter, Capt. Mayo, Mrs. W. A. Minton and C. Gertz.

PRETTY GAVELS.

A letter was received by Mr. J. E. Wiseman, some days ago, from Mr. Fred. W. Marchant, a brother of our townsman, Captain Marchant. Accompanying the letter were some Knights of Pythias mementos for which the sender requested returns in the form of similar articles made from Hawaiian woods. Accordingly, Mr. Wiseman has had half a dozen beautifully finished gavels prepared by Mr. W. E. Herrick. Four of them are in four woods each, kou, koa, sandal and kauwila; the other two are in two woods each, kou and hala. "Joe" is also forwarding a lot of pictures as well as copies of the BULLETIN. The gavels will probably form part of the apparatus of the Grand Knights of Pythias temple in course of construction in Richmond, Indiana, at the opening of which, about the first of March, Supreme Vice-Chancellor of the world, Howard Douglass, a distinguished Cincinnati lawyer, is to deliver the inaugural.

HONOLULU RIFLES.

FIRST TARGET PRACTICE.

The Honolulu Rifles held their first target shooting practice yesterday afternoon. They mustered about twenty-five strong notwithstanding the fact that some of the members were unable to attend. They marched with agility to the foot of Punchbowl hill, where the target was erected, and shooting began in the order of the roll call, with the following results: Capt. McLeod, 10; First Lieut. Hebbard, 10; Second Lieut. Unger, 14; Sergt. Pratt, 17; Sergt. Bishop, 8; Burgess, 5; Bruns, 3; Smith, 5; Beals, 6; Clark, 0; Collins, 4; Dow, 3; Fageros, 8; McCarthy, 2; Otremba, 13; Reist, 0; Severin, 5; Wagner, 11; Wood, 7; Winter, 2; G. Wilder, 18; Young, 0; C. T. Wilder, 5, and King 14, out of a possible twenty-five at 200 yards. McCarthy and Winter having made the lowest score of those who hit the target, fired another round for the medal, which was won by Winter, who again failed to score. Some of the members of the Rifle Association were present, and were invited to shoot. Dr. Brodie made 15 and Mr. J. H. Fisher 17. When the Rifles were about to march home, Mr. F. Winter was decorated with a huge leather medal for "extinguishing" himself.

SIR ALEXANDER STEWART.

The Mariposa's arrival this morning gives Honolulu the honor of the presence, for a day and night, of Sir Alexander and Lady Stewart, of New South Wales. Sir Alexander is the late Premier of that colony, whose Government negotiated the present Union-Oceanic mail contract. He has been long resident in the Colonies, standing eminent as a statesman, having lately received the honor of knighthood from Her Majesty Queen Victoria for his distinguished services to the Empire. Sir Alexander is now on his way to London, as the Commissioner from New South Wales to the great Colonial Exhibition shortly to open there. According to a statement published by us a few days ago, part of his mission abroad is to negotiate with capitalists in America for establishing cable communication between the Pacific Coast and the Colonies. This we have been unable to verify from Sir Alexander himself since his arrival in town, our representative having failed to see him this forenoon. Upon his arrival the distinguished gentleman was taken in charge by Mr. Theo. H. Davies, British Vice-Consul, the two being old friends. He was driven about town by Mr. Davies, and this afternoon will be taken out to the celebration of King Lunalilo Day at Lunalilo Home. As mentioned elsewhere, a complimentary concert by the Royal Hawaiian Band will be tendered Sir Alexander and Lady Stewart at the Hotel this evening, beginning at 7:30. Mr. Graham, manager, is busy this afternoon preparing for the decoration and illumination of the Hotel and grounds. It promises to be a very pleasant occasion.

A ROYAL PARTY.

Yesterday having been the third anniversary of the coronation of their Majesties the King and Queen, a garden party was given by Her Majesty on the Palace grounds. The party was the great social event of the day and of the season as well. The Queen was attended, on the occasion, by the Princesses Liliuokalani and Likelike. Besides the high officers of state, foreign ministers, members of the consular corps, judges of the Supreme Court, and clergy of the Anglican, Roman Catholic and other churches, the entrances were thronged with a continuous flow of visitors, from 3 o'clock until 6 o'clock. The guests were presented to Her Majesty, who was seated under one of the luxuriant shade trees of the place, after which they filed into the Palace and registered their names. The Palace was thrown open to inspection, to the great delight of the guests. The royal crowns, decorations and presents from foreign courts to Their Majesties, and the throne room were objects of particular notice and admiration. Having "done" the interior of the Palace, the guests amused themselves during the rest of the evening strolling through the grounds. Ice cream, cake and coffee were served, the waiters being assiduous in their attentions, and watching that no one would miss being served. A noticeable and highly agreeable feature of the whole affair was the perfectly free and easy informality that prevailed. The

Royal Hawaiian Band was present and enlivened the occasion with an excellent programme of national and other music. The elements, too, were propitious, the day being one of those glorious Hawaiian days where the zephyrs playing in the sunshine realize visions of a climatic paradise.

PAHALA NOTES.

The election for Kau took place at Honuapo in the plantation storehouse on the 3rd inst., the Revd. J. Kauhane (Opposition) being returned by the large majority of one hundred and seventy-six (176). About a hundred more ballots were cast than in the election of 1884, Kauhane taking ninety-three of them. Great pressure was put upon the native electors of Naalehu, Honuapo and Hilea by the plantation managers, etc., of those places, to vote the Government ticket and an unlimited supply of gin was to be obtained at the house of the Government candidate. Money, too, it is said, was also used on those who would sell their votes, but all this and threats to cut off the water supply and drive the natives' horses off the land were of no use, the Opposition showing strong throughout the day, that part of Kau lying between Punaluu and Amapo alone supplying one hundred votes solid for the Opposition.

Mr. Julian Monsarrat did good service here by his canvassing previous to the election. It was reported the Government party intended to carry the day, if not by fair and legal means, by fraud and force, but the party in favor of good law and order was too strong on the ground for any wrong doing of this kind to succeed. In this connection I may say that the presence of Mr. Foster, the manager of Pahala plantation, who was on hand from an early hour in the morning until late in the afternoon, did much in the cause of peace and fair play, and in soothing the ardor and rabidness of those Government men who could see no wrong in stealing ballots and putting their own in place of them. Mr. Thompson, the Government candidate, was a constant attendant near the ballot box during the day. This, I think, is not according to law.

The Government party have scored a victory in Puna and elected their man, but from report that reached here it was done by fraud, 32 names being struck off the list of voters, all these being Opposition men. The successful candidate got in by a majority of twenty-eight (28), so that if these thirty-two had not been wiped out, Kauhane (Opposition) would have gained the seat.

Last year's crop of the Pahala plantation was 3,946 tons. This is a splendid showing and not to be beat or equalled by any mill on the Islands. If this is not so, let us hear from the next mill that has done as well.

We had a slight shower of rain last night, but not enough to do much good, and the country looks very parched and dry. The Pahala Mill is the only one in the district that can manage to make sugar in such dry weather. At Hilea I hear they are discharging all laborers not under contract, the dry weather preventing grinding and the field work not being enough to keep all hands at work.

We people of Kau who take an opposite view of the necessities of the country to that held by the Government feel proud that we have succeeded in electing such a man as the Revd. Kauhane to represent us, and by such a splendid majority. He is a man who will work in the legislature for the good of his country, and not for what a sycophant Government will promise to give for his vote, as too many Hawaiian legislators have done in the past.

Pahala, Kau, Feb. 10th, 1886.

MacNEALE & URBAN SAFES,

206 California Street, San Francisco, Cal.

GENTLEMEN: In reply to your inquiry concerning the opening of the Burglar-proof Chest in the safe in the office of the Clerk of the Supreme Court—now so well known as THE MCCARTHY SAFE—I will say that I took charge of the office on Wednesday, the 6th inst. For some days previous unsuccessful attempts had been made by various experts to pick the lock. On Thursday, further similar efforts were made, with the same result, by Mr. Easign and other noted experts, ALL OF WHOM FINALLY DECLARED THAT THE LOCK COULD NOT BE PICKED, and that the safe must be opened by force.

On Friday I employed the expert of one of your competitors, who did faithful and honest work for that purpose.

On Saturday morning work was begun, and this morning (Wednesday) FOUR DAYS AFTER, the expert succeeded in drilling through the door and opening the safe.

I consider it was an extraordinarily severe test, much beyond what a burglar could possibly employ under any circumstances, and can assure it has inspired me with the highest confidence in the security of your Burglar-proof Safes, and that YOUR LOCKS ARE PICK-PROOF AGAINST THE BEST EXPERTS.

After working for some hours on the lock, one expert said he had found that V was one letter and another that C was one. On examination, neither of these letters appeared in the combination. Yours truly, J. D. SPENCER, Clerk of Supreme Court.

The above was a No. 8 MacNEALE & URBAN Fire and Burglar Safe.
